

Technical aspects

- **Staging requirements**
 - The stage must be smooth, level, dry, and, if outdoors, shaded.
 - Minimum dimensions (clear of all obstacles):
 - Width: 15 feet
 - Depth: 12 feet
 - Ceiling height: 12 feet (clearance)

- **Rehearsal**
 - Stage, lighting and sound technicians must be available for testing before the show.
 - A mirror equipped dressing room with space for warm up is needed.

- **Other information**
 - The soundtrack will be provided by Duo Elles.
 - Length of the performance: 5 minutes 30 seconds.
